Of Pain Medicine *February 1993*
Board Certification
Pain Management (ABA) *September 1993*

**PROFESSIONAL
SOCIETIES:**

Member, American Pain Society
Member, International Association for the study of Pain
Member, American Academy of Pain Medicine
Member, International Spine Injection Society

**PRESENTATIONS/
INVITED SPEAKER:**

Pain Seminar, Allegheny Community Center for Education
Assessment and management of acute and chronic pain

April 28, 1988

Diagnosis and management of cancer pain Dept of Oncology
Weekly conference WVU Medical Center

November 1988

Emergency room Grand Rounds, WVU Hospitals

March 1989

Diagnosis and management of acute and chronic herpetic neuralgia
CME course WVU Health Sciences center

September 1989

What's new in acute pain management for the trauma patient
4th Annual Spring trauma conference

May 1990

Diagnosis and management of acute and chronic herpetic neuralgia
WV State society of Anesthesiologists annual meeting

June 1991

Spinal Cord Stimulation - A brief overview, Anesthesia update
Conference WV State Society of Anesthesiologists Annual meeting

June 1992

Management of Cancer pain, Anesthesia update conference
WV State Society of anesthesiologists' annual meeting

June 1992

Hosted National Conference, Implantation Techniques for chronic pain
Huntington Beach, CA

June 1992

SCS - A brief overview
Orange County Pain Society

June 1992

INTERDEPARTMENTAL:

Automatic nervous system - **October 1987**

Department of Anesthesiology

Clinical Presentation, COPD Lung resection - **November 1987**

Department of Anesthesiology

Clinical Presentation, Coarctation of Aorta - **February 1988**

Department of Anesthesiology

Cardiovascular Effects of Anesthetic agents used in Cardiac Surgery - **February 1988**

Department of Anesthesiology

Acute and Chronic pain syndromes - **June 1989**

Department of Anesthesiology

**INTERDEPARTMENTAL:
(continued)**

Cancer Pain - **June 1989**

Department of Anesthesiology

Pain Pathways and Mechanisms - **November 1989**

Department of Anesthesiology

PRESENTATIONS: Anesthetic Management of the patient for Thoracic Surgery - *February 1988*
Department of Anesthesiology
Sickle Cell - *March 1988*
Department of Anesthesiology
Clinical presentation, Closed head injury - *May 1988*
Department of Anesthesiology
Clinical presentation, Morbid Obesity - *June 1988*
Department of Anesthesiology
Local Anesthetics - *August 1988*
Department of Anesthesiology
Spinal Epidural and Caudal Blocks - *August 1988*
Department of Anesthesiology
Peripheral Nerve Blocks - *September 1989*
Department of Anesthesiology
Pain Pathways - *May 1989*
Department of Anesthesiology
Acute Herpetic and Post-Herpetic Neuralgia - *June 1989*
Department of Anesthesiology
Reflex Sympathetic Dystrophy - *June 1989*

PUBLICATIONS: Amitriptyline and spinal anti-nociceptive mechanisms - *1988*
DJ Smith and RH Docherty, Society for Neuroscience

The Successful Resuscitation of a Hypothermic Multitrauma Patient - 1991
Jones Dr. Hill RD, Vasilakis A, Fernovich DA, Arsenault P, Abox A and Docherty R
In West Virginia Medical Journal 87:7 pgs 298-301

Pain Medicine - A comprehensive Review - 1996
Editor: Prithvi Raj Mosby; Wrote chapter on Visceral Pain

POSTER

PRESENTATION: *Amitriptyline and spinal anti-nociceptive mechanisms - November 1988*
DJ Smith, G Williams, and RH Docherty. Society for Neuroscience
Toronto, Canada

RESEARCH GRANTS: **Principle investigator**, Tramadol hydrochloride: Safety and Efficiency Compared with Acetaminophen with codeine phosphate in elderly patients with chronic pain
Sponsored by McNeil Pharmaceuticals: **\$20,000.00**

Co-investigator, A Double blinded randomized trial comparing the fentanyl transdermal delivery system to placebo for post-operative analgesia in patients undergoing abdominal hysterectomy.
Sponsored by Anaquest: **\$100,000.00**

Co-investigator, A clinical comparison of a transdermal fentanyl delivery system to fixed-intramuscular morphine for post-operative analgesia in Cholecystectomy patients.
Sponsored by Anaquest: **\$100,000.00**

Principle Investigator, Epidural clonidine study for the management of Cancer pain.
Sponsored by Fujisawa: **\$10,000.00**
